AMERICANS
will always fight for liberty

The KINGSTONIAN *for* 1943

Dedication

MR. JOHN B. KENNEDY

WE, the Class of 1943, do dedicate this Kingstonian Yearbook to Mr. John B. Kennedy, our Superintendent, who, through his unceasing and tireless efforts, is accomplishing his goal of leading Kingston schools to higher standards. He has gained the admiration and support of students and faculty members.

Although Mr. Kennedy has been with us but a year, he is well-deserving of our true appreciation of his understanding manners and simple yet persuasive ways. Sincerely, we extend to him our best wishes for continued success.

It is indeed a pleasure and we are honored in dedicating this book to him.

Appreciation

MR. CLYDE BOYER

FOR Mr. Clyde Boyer, senior class sponsor for the past seven years, we, the Class of 1943, wish to devote this part of our yearbook in appreciation of his help throughout the year. His advice and guidance are always heartedly accepted by students because they realize his opinions are stated only after fair and careful consideration of their problems.

During the past year, it was very difficult for a class to have events which were social as well as financial successes. However, Mr. Boyer showed his capabilities by guiding us to our goal.

We are most appreciative and greatly indebted to one whom we are proud to have had as our class sponsor, Mr. Boyer.

Everybody sing!
Look at Jack!
We're proud of this!

Back straight, chin up!

Cooks in our midst
Future private secretaries
Drafting!

Administration

TO the men on the Board of Education falls the task of directing education in the public schools in our community. Their duty is to authorize the purchase of school supplies, the hiring of teachers, and the maintenance and repair of borough school buildings.

In the present crisis our School Board has shown its willingness to help in the war effort in various ways: commando training is being given in the boys Physical Education work, our curriculum has become more intense, and new courses have been added to those already scheduled.

MR. P. A. GOLDEN

MR. GOLDEN

Principal P. A. Golden certainly needs no introduction, especially to students. He has always been a high-class, even-tempered school executive with ability for this trying, full-time job. No senior or any other student with a problem has been turned away by Mr. Golden without a careful, courteous analysis of the matter in hand.

MR. JOHN B. KENNEDY

MR. KENNEDY

Mr. Kennedy, superintendent of our school system, is doing a creditable job. He has made some improvements and changes for the better and has already endeared himself to the faculty and students with his ready wit and charming personality. In these times of stress, and with our beloved country at war, the task that has been put before Mr. Kennedy is more difficult than ever, but we are sure our new superintendent is perfectly able to cope with the situation. He came here from Columbia, Pennsylvania, with an enviable reputation which he will certainly sustain in our midst.

ENGLISH DEPARTMENT

Seated (left to right)—Mrs. Thomas, Miss Zawatski, Miss Williams, Miss Weis.

Standing (left to right—Miss Jayne, Miss Devendorf, Mr. Kenny, Mrs. Hanson, Mrs. Reynolds.

ENGLISH DEPARTMENT

DURING the present emergency, the war has made itself felt in every department and to be sure, the English Department has been no exception. One noticeable change is that greater emphasis is being placed on the mechanics of English.

Our teachers are now stressing composition, grammar, and oral and written expression in the course of study.

By no means, however, have we abandoned the study of literature, for there is still some appeal with the students for the classics so long enjoyed.

The compositions, essays and themes we write deal with the nation's war effort and are helping to train the personnel urgently needed in this task.

FOREIGN LANGUAGE DEPARTMENT

Seated (left to right—Mrs. Page, Mr. Mangan, Miss Sweet.

Standing—Miss Thompson, Miss Pritchard, Miss Weis, Miss Lee.

FOREIGN LANGUAGE DEPARTMENT

THE Language Department this year has tried to stress the importance of the study of foreign languages and their relation to the present war emergency.

Words and phrases pertaining to matters military and aeronautical have been added to the French course because of the War. Despite these changes, the cultural background of France has been retained.

The purpose of German was to furnish the student with adequate knowledge concerning the history, customs, and ideals of Germany through reading.

The Latin Department has tried to correlate the present War and its conditions with those of centuries ago.

COMMERCIAL DEPARTMENT

Seated (left to right—Mrs. Law, Miss E. Davenport, Miss Cahalan, Mrs. Shepard.

Standing—Mr. McConnell, Miss Thompson, Miss Dunstan, Miss Brown.

COMMERCIAL DEPARTMENT

IN OUR own Kingston High School dwells one of the most important and valuable Keys to Success—it is—our Commercial Department.

You may recall the past when the commercial student faced the future with a black out-look. There were no jobs on the horizon; all doors to opportunity were closed. This year, however, has brought forth a great many changes and the forecast for the future now spells "Success" in capital letters.

Under the capable guidance of the teachers of this department, each student is fully equipping himself with a superior knowledge of the business world and its opportunities.

SCIENCE DEPARTMENT

Seated (left to right—Miss Wilson, Miss Lee.

Standing—Mr. Brenner, Mr. Gittins, Mr. Hankey, Mr. Iveson, Mr. Andrews, Mr. Hock.

SCIENCE DEPARTMENT

ADVANCE and be recognized! The Science Department of our High School comes forth and is unanimously acclaimed the star in the "World Theatre of Advancement."

The attack on Pearl Harbor which brought forth World War II also created the need for a number of substitutions in commodities of special significance to our mode of living. This is where the scientist came forth with his creative theories.

We here at Kingston High, are hopefully looking forward to seeing the names of many Kingstonians on the plaque in the Hall of Fame dedicated to Science.

MATHEMATICS DEPARTMENT

Seated (left to right)—Mr. Piccone, Mrs. Harkins.

Standing—Miss Dunstan, Miss Jones, Miss Miles, Mrs. Toole.

MATHEMATICS DEPARTMENT

FIGURES and more figures! But figures represent something we cannot have too much of in our present swift-moving world.

Kingston High School offers an excellent mathematics course and Mr. Piccone leads the department efficiently.

Today mathematics is a "must" for many important fields. Among these are science, engineering, aeronautics and precision tool-making. Too, mathematics is used extensively in the Army and Navy. In fact, there are countless vocations in which mathematics plays an essential part. Incidentally, you girls who wish to become nurses, had better study your "math", for it is a necessity in the nursing profession.

HISTORY DEPARTMENT

Seated (left to right)—Mrs. Schulz, Miss Dooley, Miss Price.

Standing—Mr. Brenner, Mr. Anthony, Mr. Bennett, Mr. J. Jones, Mr. Boyer.

SOCIAL SCIENCE

THE Social Science Department, ably headed by Mr. James Jones, is one of the most important divisions of our high school. It includes the study of Ancient, World, Modern, and American History, Civics, and Problems of Democracy. The study of these subjects covers the events from the beginning of time to the very moment in which we live and in times like these, social studies cannot be stressed too strongly.

The department, this year, took charge of the Lincoln Day Chapel program. The entertainment was a motion picture which depicted the value of the Civil War. It was entitled "Dixie", and showed the hardships of our own people in those trying times. It was well received and appreciated by the student body.

ARTS DEPARTMENT

Mr. Hallock, Miss Edwards, Mr. Keefer, Miss Kitchner
Miss M. Williams, Miss Bush, Mrs. Reynolds

ART DEPARTMENT

THE Art Department, headed by Miss Edwards, has proven itself essential to our high school. Art is not only a cultural subject, but in these times, a subject vital to our war effort.

MUSIC DEPARTMENT

THE Music Department has done much to brighten our school, particularly our chapel programs, with the delightful entertainment provided by Mr. Berry's Glee Club and Mr. Hallock's Band.

LIBRARY DEPARTMENT

THE Library Department, ably headed by our new librarian, Miss Myre Williams and assisted by Mrs. Reynolds, stands out as a department which brings help and pleasure to all.

PHYSICAL EDUCATION

Mr. Andrews Mr. McCracken Miss Jewett Mr. Hilbert

PHYSICAL EDUCATION

IN facing the present crisis, physical education stands among the most important factors. It is our responsibility to present the armed forces with men and women of physical capabilities. This is done by giving them a carefully selected course in gymnastics and athletics, including basketball, volleyball, wrestling, badminton, football and track.

HOME ECONOMICS

THROUGHOUT the year the Home Economics Department stresses the importance of home management and of keeping our families well and happy.

SHOP

MY visit to our Shop proved to be most interesting and educational. Mr. Keefer, a most capable instructor, is indeed proud of the fine equipment and of the achievements of our students.

DEPARTMENT CHAIRMEN

Seated (left to right—Mr. Hankey, Science; Mr. Hallock, Instrumental; Mr. Golden, Principal, Mr. Piccone, Mathematics; Mr. Mangan, French.

THE DEAN OF GIRLS

This year a gracious lady came to us as dean of girls. She is Mrs. Lela Hamilton, a charming and sympathetic teacher, a graduate of Davis Elkins College who has done graduate study at Northwestern University. We have been very glad to have Mrs. Hamilton with us and we hope she will stay for many more pleasant years.

Class of 1943

SENIOR CLASS AND EXECUTIVE COUNCIL

THIS year, as in previous years, the work of the senior class was handled by the class officers and the Executive Council. All financial and social plans were worked out by this group under the capable guidance of the class faculty advisor, Mr. Clyde Boyer.

The responsibility that went with the presidency of this year's class rested upon Charles DeBonis, popular athlete, leader and scholar. Filling the vice-president's chair was Eloise Macdonald. The secretarial duties were handled by Louise Brennan and the financial work was done by the class treasurer, Jack Turner.

Completing this staff of officers was the executive council, which did the voting on all matters which came before the class. The council was composed of two members elected from each home room. Three members of this council left in February to serve our country. They were, Chester Butkiewicz, U. S. Air Force, Ted Wolfe, U. S. Marines, Michael Gaido, Air Force.

Class History

SEPTEMBER 7—Labor Day! Everybody is waiting for the big day that we again enter the portals of dear old Kingston High.

SEPTEMBER 9—First day of school! Freshmen are walking around in circles and everybody is looking forward to another year packed full of events.

SEPTEMBER 18—Yea! Team! The 1943 pep sessions really are underway. Several alumni, such as Jack Voigt, class of '37, and Ben Bailey, class of '42, helped to bring back the old spirit.

SEPTEMBER 18—The whistle! The pigskin is in the air. You've guessed it—Football season with its many thrills has just begun.

SEPTEMBER 21—The students are well entertained by Edward Lee Hock, a famous orator, who can really make you see those horses that he tells about go 'round.

SEPTEMBER 30—Five beautiful girls! Ah! The Manhatten Singers entertain with song and instrumental numbers.

OCTOBER 5—A campaign for Victory launched by Homeroom 211. "Buy War Bonds and Stamps" that's their slogan and they are going to sell them to you.

OCTOBER 9—Girls, about face! Lieutenant Salveson tells us all about life in the Women's Army Auxiliary Corps of the United States Army.

OCTOBER 25—The pigskin is still flying and bringing Kingston much advertisement. Those Senior boys surely know how to get around.

NOVEMBER 2—The Yearbook Campaign begins. All those ambitious Seniors start using their sales talk for, of course, everybody is going to buy a yearbook.

NOVEMBER 2—Following periodical tradition Mr. Andrews' homeroom of Sophomore boys have achieved the banner awarded by the Honor Society. For the girls, Miss Weis' homeroom of Senior girls stands out as the most brilliant.

NOVEMBER 4—Kingston High School is always glad to welcome back alumni who have made names for themselves. Today Miss Ann Westfield, class of '36, and her famous marionettes gave us occasion to be proud of a real Kingstonian.

NOVEMBER 9—The auditorium walls fairly ring with music when they hear Joe Zabelski, class of '41, tickle those piano keys. The guest soloist is Milson Hughes, accompanied by his mother. Mr. Hughes represents the American Car and Foundry Company of Berwick, Pa.

NOVEMBER 16—Wisdom, the light of knowledge! This is demonstrated by the Honor Society members when they initiate the new Senior members who have fulfilled requirements of Scholarship, Character, Leadership, and Service.

NOVEMBER 23—Sit back in your seats and relax while "Chuck" Thomas and his Ambassadors give music for your entertainment.

NOVEMBER 26—Turkey Day! We hate to think that football season ends. But coming up is the first dance of the season, sponsored by the Hi-Y.

DECEMBER 4—When Kingston High School enters anything we always pull through with honors. The Junior Red Cross is no exception for it has the school enrolled 100%.

DECEMBER 7—No school! Everybody helping Uncle Sam by gathering scrap. 100%—that represents the stamp sales. For such patriotism our school earned a merit award.

DECEMBER 10—Another marking period has lapsed and with it the surrender of scholastic banners. Special mention is made that Mr. Kenny's Senior boys dethroned Mr. Andrews' Sophomore boys while Miss McLaughlin's girls claim honors over Miss Weis' girls.

DECEMBER 11—"Seventeen", a three-act comedy presented by those outgoing seniors who really made a success of everything.

DECEMBER 21—There's music in the air! Yes, and it is presented by our own Glee Club under the direction of Mr. Edmund Berry. Not only in school, but in three local churches these songsters fill the air.

DECEMBER 22—'Twas the day before Christmas
And all through the school,
Parties were stirring
With vacation time here.

DECEMBER 29—The Alumni Ball—what a wonderful way to climax a vacation.

JANUARY 4—But alas! All the good things must end, so do school vacations.

JANUARY 5—The fans are shouting! The boys are thinking fast. Yes, it's keen competition between Kingston and Berwick basketball champs, namely, Harrington and Colone, with Kingston gaining another victory.

JANUARY 15—Anchors aweigh! With very sad hearts the students bid a favorite teacher adieu. None other than Chief Petty Officer Neilson Andrews.

JANUARY 18—Junior and Senior boys begin five periods of gym a week under Mr. McCracken's physical fitness program.

FEBRUARY 1—We present—"Ladies of Song", made possible by funds from past "Star Dust Reviews". But today has a double feature. The homeroom banners are presented to Miss Dooley's Freshmen girls. After a pep talk from Mr. Andrews, his Sophomore boys regain the banner.

FEBRUARY 4—Another professional production presents "Ballet Petite". The two girls and one fellow really show how one should "trip the light fantastic".

FEBRUARY 5—The Senior Class sponsors a Tea Dance to the whirling notes of "Chuck" Thomas' "Ambassadors".

FEBRUARY 1.—Lincoln's Birthday is always a day to be observed as a holiday. The History Department presents a motion picture, "Dixie". The P. M. hours are spent in relaxation.

FEBRUARY 19—The first Cabaret Dance and what a success! A floor show with all that goes with it under the auspices of the Pi Delta boys.

FEBRUARY 22-26—Necessity causes the schools to be closed for a week. While our teachers worked hard issuing War Ration Book 2, students enjoyed an unexpected vacation.

MARCH 5—To a capacity audience our Band presents a musical concert. Nowhere in the valley could one find better quality.

MARCH 10—Previews of the Star Dust Review of 1950 are given by the students of Main Street and Maple Avenue Schools.

MARCH 23—After many weeks of manual work the students complete their effort for the comforts of our fighting forces through the American Junior Red Cross. Some of the articles made were checkerboards, dart boards, Afghans, utility bags, and bedroom slippers.

MARCH 24-31—By wandering through the school corridors this week, many strange noises may be heard. Tap dancing, singing, dramatics, and masters of ceremonies. Sure, it's try-out time for the Fifth Annual Star Dust Revue.

MARCH 26—Strike three! You're out!! Grover Cleveland Alexander was very much at home today at Kingston High.

MARCH 29—On your mark! Fire! How to do it was shown by the R.A.F. bombing of Germany portrayed in "The Target for Tonight", a motion picture shown in chapel.

MARCH 31—Contrary to all weather forecasts, it is snowing at Kingston High School. Well, not actually, for it is the Senior Class exchanging name cards.

APRIL 2—Murder! Comedy! Drama! means "Mr. and Mrs. North", under the auspices of the class of '44.

APRIL 14—Buenas tardes. Amongst a gala display of flags the Pan-American Day program is underway. With song and dance the tropics is portrayed in our own auditorium. Dolores Lavage sings, "Brazil". The audience loved it.

APRIL 20—On to Victory! Such was the enthusiasm of the students when they marched to Room 211 for theirstamps and bonds. In two days enough war bonds were bought to cover the cost of THREE jeeps bearing the name of Kingston High School. This makes the total sales almost $20,000.00.

APRIL 22—Easter season brings a holiday. Some Star Dust units rehearse, nevertheless, during vacation.

APRIL 26—On your toes, and twirl about! 'Tis the Senior Prom, without a doubt! Good music, excellent crowd.

APRIL 27—The Easter bunny now has gone, and so has the vacation, thus every one comes back with zest for the last six weeks of this term.

MAY 6-7—Red letter dates on everyone's calendar. The curtain now rises on the Fifth Annual Star Dust Review. A student production! A traditional event! A capacity audience! A wonderful show!

JUNE 4—To those departing Seniors the Junior Class sponsors a Prom. What a more fitting way to show their gratitude. With this in mind the Juniors give it all they have—the best of everything.

JUNE 7—An eventful week has just begun. Chockfull of parties, and outings.

JUNE 8—"May I have your autograph?" You've guessed it—The yearbooks have just been put in circulation. Don't tarry long for someone is tapping you on the back, "May I borrow your pen?"

JUNE 11—With solemn faces and reminiscing minds the Seniors bid adieu. Commencement opens a new volume of adventure. Here's wishing all the best of luck and future success.

Class Will

• We, the class of 1943, having completed four years of enjoyable learning, hereby do make our final commitment to our highly esteemed "Alma Mater".

Firstly: We do bequeath

Teachers:

1. To MR. GITTINS—Continued cooperation of the school, in order to make his aeronautics course a greater success than it was this year.
2. To MR. BOYER—A homeroom to give 101 more competition in cheering.
3. To MISS SWEET—Another Vergil class as good as that of this year.
4. To MISS JEWITT—Another successful year as head of the cheerleaders and girls' athletics.
5. To MISS F. JONES—A more cooperative group of Honor Society members.
6. To MRS. M. B. THOMAS—Continued success as director of dramatics.
7. To MISS MYRE WILLIAMS—Another successful year as Librarian.
8. To MRS. LAW—Another silent, cooperative, and good-looking homeroom.
9. To MR. HALLOCK—Many more band members and instrumental selections for chapel programs.
10. To MR. MANGAN—A successful tenure in the service of "Uncle Sam".
11. To MISS ANITA WILLIAMS—Longer and better quotations to keep her English students occupied.
12. To MR. J. JONES—Fewer tardy students to reprimand and keep an hour after school.
13. To MR. HILBERT—Another cooperative, hard-working basketball team.
14. To MR. H. PUGH—A football team to carry out his plays to perfection.
15. To MR. ANDREWS—As much success in "Uncle Sam's" Navy as he enjoyed as a member of the faculty.
16. To MR. HANKEY—Greater cooperation from the student body in the purchasing of yearbooks.
17. To MR. BERRY—Continued cooperation from the student body in group singing and another fine glee club.
18. To MISS C. BROWN—A more successful "batch" of typists.
19. To MR. ANTHONY—More "tall tales" to pass on to his students.
20. To MR. HOCK—The return of his health, and many more successful years of teaching.

★ ★ ★ ★

Students:

1. To DANIEL BATORY—A successful year as class photographer.
2. To VERNA STEADLE—A very successful year as head cheerleader.
3. To CHARLES GITTINS—Continued recognition as a first-class trumpet player.
4. To CHARLES THOMAS—Another successful year for the "Ambassadors".
5. To RICHARD PHILLIPS—The height of Joe Harrington as an aid in basketball.
6. To DOROTHY THOMAS—The school spirit of Louise Brennan.
7. To BARBARA PICCONE—The vim and vigor of Eloise Macdonald in cheerleading.
8. To LAURA J. MILLER—The successful musical career of Dorothy Nogle.
9. To NEXT YEAR'S YEARBOOK — Another salesman with the ability of John Burak.
10. To BETTY J. DAVIS—The cheery smile of Jane Phillips.
11. To THE FUTURE SENIORS—All the success and pleasure that we might have missed.
12. IN CLOSING, we appropriately bequeath to our boys, fighting to save for future generations the wonderful educational opportunities we have enjoyed, the guidance of God to successfully complete their obligations.

—CLASS OF 1943.

Know them—who doesn't!
Captain Fay Shone
Look good, don't they?

Power of the press
Always busy

Let's have a cheer)
Flirtation grin!
Where's the pigskin, Aviation Cadets?

JUNIOR EXECUTIVE COUNCIL

FOR the first time in the history of Kingston High School, the Junior Class is represented by a Junior Executive Council. Patterned from the model Senior Council, the class is represented by two elected members from each homeroom. These students act as the governing and policy-forming body of the class.

Planning activities throughout the year in order to make money for the class fund for the following year, is one of the main tasks of the council. This is done by promoting a Junior Play and also planning the Junior Prom, as a farewell to the Senior Class members. These are the two main activities of the class during the year.

Acting as spokesmen for this group are the Junior Class officers. Their duty is to see that the affairs of the class are conducted in proper order.

With the aid of Mr. J. W. Gittins, who acted as our sponsor and advisor, the first Junior Executive Council has earned a place of recognition in Kingston High School.

NATIONAL DEFENSE IN THE SCHOOL

"VICTORY" is on everyone's mind these days. K.H.S. is answering the call to help by endless contributions and sacrifices. Among those activities are: salvaging scrap metal, collecting tin cans, collecting silk stockings, yarn, books, and keys. Many others are joining the Junior Red Cross and are knitting Afghans. But most important of all, everyone is buying War Bonds and Stamps, and we will continue to buy until "Victory" is ours!

YEARBOOK

DUE to ever-increasing production costs and lack of materials, our yearbook did not get underway until later than usual this year. Ordinarily, work on the Yearbook is begun in May and June, but this year we did not begin until November.

Like all other work programs which had been speeded up due to the War, we soon accelerated our Yearbook plans and now hope that you are pleased with our efforts.

Staffs, namely, Editorial, Business, Photographic, Advertising, Typing, Art, and Circulation, were nominated by the Senior Executive Council, and elected by the senior student body. Louise Brennan was elected editor-in-chief. Walter Hughes was chosen as our capable business manager. A quotation committee was organized to select appropriate quotations to fit each member of the senior class. Early in January, this committee had done an excellent job and had completed its work.

The Business Staff immediately went to work in an effort to raise the necessary amount of money needed to finance the Yearbook. This is always a task.

In order to present to anxious seniors a production of which they would be proud, superior advertising was necessary. In chapel, eloquent speakers of the senior class repeatedly heralded the coming of the Yearbook. Other seniors publicized it in all the homerooms, particularly freshmen and sophomore rooms. Clever posters were placed in the most frequented places in our large school building. Also, an entertaining dramatic skit entitled, "Help Us Hannah" was presented in chapel. Its theme was original and its setting, local. This skit greatly helped to boost the Yearbook sales.

Since all material which is printed in our Yearbook must be typed and retyped, a capable staff of typists prepared this material at unbelievable speed. Sally Edwards, the dependable and capable leader of our typists, was prompt, and helped to relieve the editor and advisors of considerable work.

Both gratitude and thanks are due and must be conferred upon our advisors, Mr. B. W. Hankey, Mr. J. F. Kenny, and Mr. W. L. Iveson, for their untiring efforts in making this Yearbook a source of satisfaction to us seniors.

KINGSTONIAN NEWSPAPER

THE Kingstonian newspaper has done a great job this year in promoting scrap, key, and defense stamp campaigns, along with supplying us with many other interesting features. One of our regular features, gossip, was written willingly this year by our able reporters. In addition to this and other regular features we have had many up-to-the-minute articles including fashions, editorials on varied subjects, and exciting sport reviews.

The Editorial Staff was composed of students who were interested in writing and who enjoyed newspaper work. This staff was well directed by Editors Louise Brennan and Lois Finnen.

The Business Staff, whose work it was to solicit advertisements and promote sales worked very hard this year and the staff members were rewarded by an increase in circulation. The regular appearance of the paper each six weeks was eagerly awaited by both students and faculty.

After the work of the Editorial Staff was completed, the Typing Staff diligently went into action. The members of this staff typed the final copy of the paper before it was sent to the publisher. The students on this staff never hesitated, but willingly worked overtime to send the paper to the publisher in order that the issue would appear at the regular time.

All three of these staffs owe many thanks to our capable advisors, Mr. Brenner, Mr. Bennett, and Mr. Anthony, who were always willing to give their time and advice whenever it was needed. As a result of the excellent cooperation of these student and faculty members the Kingstonian newspaper has had a very successful year. We have succeeded in keeping up the good reputation which the Kingstonian has always enjoyed.

THE "G. A. A."

THE "G. A. A." is the Girl's Athletic Association of our school. It is one of the outstanding highlights among the school's clubs, and is looked upon with much pride. The "G. A. A." has attempted to maintain high principles, ideals and standards which are set forth in its well-constructed constitution. This constitution was formed and introduced at the organization of the association, and is obeyed and looked-up to by each and every member.

In order to have the privilege of being initiated into the "G. A. A.", one must have a certain percentage of points earned and gained by the participation in sporting activities. This membership can be gained by acquiring points of activities such as:—varsity or reserve basketball teams, tumbling team, volleyball team, dancing team, cheerleaders, majorette or twirlers, intramural officiating, highest physical education average, member of champion intramural team or the swimming club. Each of the said activities gives a certain number of points to help gain percentage for membership.

The "G. A. A.'s" purpose and cause is to help promote a fine quality of sportsmanship, and also to encourage an interest for and in school sports among the students.

Thus, the "G. A. A." under the able, enthusiastic and interesting direction of our sponsor, Miss Ann Jewitt, has ended it's first full year of existance. This first year we have accomplished good results and have added much in helping to reach the goal, that goal which stands for what the "G. A. A." seeks. All in all, our Girl's Athletic Association is climbing fast and is bound to reach the top.

Yes, in every way, the "G. A. A." represents "sportsmanship plus!"

LIBRARY CLUB

THE Library Club under the capable direction of Miss Myre L. Williams, who succeeded Mrs. Jacqueline W. Felter as librarian, has completed another successful year of service. Assisting Miss Williams were Mrs. Barbara R. Reynolds and those sophomore, junior, and senior students who fulfilled the necessary requirements for admission to the club.

The purpose of the Library Club is to help other students become better acquainted with the library and to aid them in using it to their best advantage. After being admitted to the club each member must devote one period every week to working in the library; doing this, he helps the organization to reach its ultimate goal.

The club officers, David Grimes, Marjorie Ives, Vincent Finan, and Jane Rae Zimmerman, planned and carried out many interesting activities. Amid colorful decorations the club held a festive Christmas party. Talented members provided appropriate entertainment. In March the members enjoyed an evening at the local Y. M. C. A., participating in the various sports. Following annual tradition the Library Club had its grand finale—a most enjoyable outing. These and other club activities will always be remembered by the graduating class.

THE GERMAN CLUB

THE "Deutscher Verein" under the most competent direction of Miss Loretta Weis may well add one more successful club year to the many preceding years of achievement.

Although the club was considerably smaller this year, it was not too small to keep the members from carrying on the traditional activities of the organization.

The German Club usually meets once every month, and the meetings are attended by German students, who automatically become members.

A student can derive a great deal from these meetings, adding to his cultural equipment. The meetings are centered about the cultural life of Germany, "die Kultur". This includes, of course, great German composers, authors, poets, and other well-known Germans in the circle of German culture.

Last year the German Club had its own band composed of students with talent for music who were club members. These students cleverly imitated the type of music which is characteristic of a real German band. This year, however, the German Club was not so fortunate as to have such a group, but the members enthusiastically joined in with the singing of the well-known German songs and a fine time was enjoyed by all participants.

Throughout the year several meetings were devoted to quizzes which proved to be extremely entertaining as well as educational. All members participated in this program.

The German Christmas party, a highlight of Kingston High's Holiday program, was just as gay as ever this year. Christmas Carols were sung, a skit was given by several members, and games were played. The fortunate winners in these games were given prizes.

LE CERCLE FRANCAIS

BONJOUR tout le monde!
Once again station L.C.F. (le Cercle Francais) is reporting to the students of Kingston High School through the courtesy of the Kingstonian Yearbook.

Approximately one year has passed since you last heard from us, and now we are eager to give a full report of the successes, on all fronts, of one of the oldest and most prominent organizations in the student body.

As you probably know, the purpose of this club is to further its members' appreciation of the use of French outside of French class. We are sure every person attending the meetings enjoyed the French rounds and songs, which Monsieur Richard Pelsky, as Director of Programs, presented to us.

To treat more fully the musical "front", it will be necessary to know that several future "WAACS, WAVES and SPARS" made their debuts at our meetings. Among these we are proud to name—Mlles, Lila Aston, Bessie Stathakis, Lillian Brown, Martha Harris, and Mildred Brokenshire. They held up the vocal end, while Pearl Brown and Jean Michelson—with the violin and clarinet, respectively,—charmed us much as the Pied Piper charmed the children of Hamlet with his flute. Bessie Stathakis, official club pianist, and Jean McKellar, as soloist, performed equally well on the piano.

On the other hand, Betty Jane Davis and Clement McHale held our attention with "up-to-the-minute" readings.

In keeping with the times the prizes of our annual contest were War Stamps. The contest usually consists of French words in sentence form which make no sense when translated; but if these words are pronounced properly in French, they will make good English sentences. Thomas Alexander, Lorraine Rogers, Betty Brace, and Jane Bahr were the winners.

And now we come to the financial "front". This has proved to be one of the most successful enterprises yet to be undertaken, from the standpoint of a "dollar-sign". As is the custom, each club is allowed to sell candy during one month of the school year. This year a record profit has been made by the French Circle due to the excellent salesmanship of the students and our future bankers. These fianciers of whom we speak so proudly, are, Bill Smith, treasurer; Willard Powell, assistant treasurer, and Lois Snyder, secretary.

Station L.C.F. is at present planning a unique chapel program and an outing which is sure to be a success.

But on the classroom "front" another situation has been met and partially solved. Because so many male students will become soldiers in a year or less, Military French has been stressed with the hope that not too many soldiers in foreign countries will find themselves in "tight spots" because they cannot speak or understand French.

Speaking now for Miss Lee and Mr. Mangan, the competent members of our French speaking faculty and co-advisors of the club, and myself—

"This is Station L.C.F. signing off—

Au Revoir."

HONOR SOCIETY

THE National Honor Society of Kingston High School is one of the few chapters in the schools of Wyoming Valley. Standards for admission to the Honor Society are high. Only fifteen per cent of each senior class are eligible for membership. Pupils selected must be outstanding in character, scholarship, leadership and service and must receive the approval of the members of the Honor Council. During the second semester, the Juniors with the highest qualifications are admitted to the organization.

Parties are given during the year, and at the end of the term an outing is held to conclude another year for the society. The Honor Society has the privilege of ushering at the Annual Star Dust Revue, as well as at other functions.

Candy and milk are sold during the school year to help pay for the expenses of the different activities. This money is also used for the five dollar award that is given to the freshman girl with the highest scholastic average.

The Honor Society is under the able leadership of Miss Freda Jones. She has helped in every way possible to make our Honor Society a success this year and in past years. Our hats are off to Miss Jones!

So, to the future students of Kingston High School, we highly recommend the Honor Society, and hope to see you soon as new members.

PAN AMERICAN CLUB

THE Pan American Club of Kingston High School consists of students of the second and third years of Spanish and the seniors who have elected first year Spanish. Since the organization of the club some twelve years ago, there never has been a period that offered such an opportunity for correlating our activities with those of larger groups.

The efforts that we have put forth in our High School Club are miniature, but true reflections, of the huge task undertaken by the State Department at Washington. Tactful and intelligent statecraft is needed in Washington to retain friendly relations with the twenty Latin American countries. These statesmen had to be versed in a knowledge of these countries. In a much lesser degree, the ordinary citizen should be acquainted with facts that will broaden him in his attitude toward the citizen south of the Rio Grande. This is exactly what the Pan American Club strives to do. South America needs help in a number of different ways and the richer and more powerful northern neighbor cannot successfully render that help without first being thoroughly acquainted with South America. One of the results of the Good Neighbor Policy has been economic help. This is practical, but will not entirely change the hostile attitude of a large number of Latin Americans toward their northern neighbors. The trouble lies deeper than that which can be remedied by loans, favorable tariffs and such gestures.

One suggestion that has often been made and which our club upholds is to make the United States bilingual as are the South American countries. When two countries know each other's language, much of the ignorance concerning them is going to disappear. The matter of learning Spanish is taken care of by our election of Spanish as our foreign language.

The most important day of the year is Pan American Day, April 14. It is annually celebrated at the Pan American Building in Washington and in Kingston we observe the day by holding an assembly program.

This year the High School orchestra played stirring Spanish music as the students filed into the gaily decorated auditorium. Speaker Richard Dando in an opening address explained the meaning of Pan American Day. A program followed, the theme of which was South American music. This was illustrated by Charles Bressler and Eleanor Gretschel as soloists and by Charles Thomas' orchestra.

During the Christmas season, in addition to the usual program, the club displayed the "NACIMIENTO" in the library. This is the Spanish symbol of Christmas as is the tree in North America.

There has been some correspondence with South American students and scrap books on South America have been sent to the hospitals.

Our aim throughout the year has been to fulfill the aim of Pan Americanism.

GIRL RESERVE CLUB

THE Girl Reserve Club was organized in 1918. Our present Girl Reserve slogan is: "As a Girl Reserve I will try to face life squarely." Our Purpose: "To find and give the best." Our Code: "Gracious in manner, Impartial in judgment, Ready for service, Loyal to friends, Reaching toward the best, Earnest in purpose, Seeing the beautiful, Eager for knowledge, Reverent to God, Victorious over self, Ever dependable, Sincere at all times."

We hope to build a fellowship of women and girls devoted to the task of realizing in our common life, those ideals of personal and social living to which we are committed by our faith as Christians.

"Everywhere, always, in sunshine and shadow, in joy, in disappointment, in success, in defeat, we, the Girl Reserves, follow the Gleam. If once we fail, we fight again to win, we cannot be lonely. we stand together; from North to farthest South, from East to distant West, ours is the surest quest—we know the One we follow."

In Kingston High School any Junior or Senior girl may join the club. Each girl must pay her dues, attend a certain number of meetings, attend the recognition ceremonial and serve on at least one committee. Our leader this year is Mrs. Lela Hamilton, our Dean of Girls.

During this school year we have pledged money to the Community War Chest and donated five dollars toward the buying of a Christmas basket for a needy family. We have sponsored a dance and a Mother's Tea. We have on occasions united with the Y. M. H. A., and the Y. M. C. A. for monthly meetings.

We helped to house 500 girls who came from other states and cities to a Girl Reserve Convention which was held in Wilkes-Barre.

We are proud of our club and glad that neither race, color, nor creed can prohibit any girl from belonging to the Girl Reserves.

THE SKETCH CLUB

THE Sketch Club which is under the capable leadership of our art teacher, Miss Mildred Edwards, ends its thirteenth successful year.

In the fall our club was responsible for securing a loan exhibition from the Parsons School of Design in New York. Our monthly meetings have consisted of exhibits of the crafts and handiwork of our Allies, and discussions of plans for social events.

In December, it was decided to make Christmas cards from linoleum blocks for each of the Sketch Club members in the Armed Services. This was done and interesting and appreciative replies have been received.

The Sketch Club members have cooperated with the Junior Red Cross in making numerous useful articles.

The restricted use of automobiles obliged us to hold our annual weiner roast in Kirby Park, where the new members were initiated. In January, we had a very pleasant skating party which was held at the Davis Recreation Center.

Our Motto: "We shall transmit this school more lovely than it was transmitted to us," has been our aim again this year.

MODERN DANCING

THE first time that modern interpretative dancing was seen in Kingston High School was in the Star Dust Revue of 1942. Since then a great deal of interest has been taken in it.

This year a Modern Dancing Club was organized by Miss Jewitt, the girls' physical education instructor.

Grace and precision are two of the most important essentials in this form of dancing, and it takes hours of practice and planning to complete one of our dance routines.

Besides the enjoyment which is obtained by the girls from dancing, it also helps to develop charm, grace, and poise, all of which are a great help to girls of 'teen age.

The club is composed of about twenty-five girls, all of whom work hard and faithfully to make this one of the outstanding clubs in Kingston High School. We are sure that this goal is being reached, and that this club will establish its reputation more and more in years to come.

The type of dancing that the girls have presented thus far is known as the Choral Arrangement. This type is developed so that it may be presented with groups representing the various vocal arrangements. A glee club or a large group of singers usually furnish the music and thought for this dance.

The highlight of the Modern Dance Club's season was the great response shown in regard to the dances so capably executed in the fifth annual Star Dust Revue.

TRIPLE A

THE Amateur Actor's Association has occupied a prominent and important spot in Kingston High School's social and dramatic affairs for over sixteen years.

Limited to membership of upperclassmen possessing exceptional ability, the Triple A was originally designed, not only to improve the calibre of the plays presented by the Junior and Senior classes, but also to provide its members with the necessary social contacts, so important in a well-rounded education.

Under the competent guidance of Mrs. Marjorie Brown Thomas, the club has gone ahead to an outstanding place in student life. Each year the student body looks forward to the club's amateur productions.

The Senior Class presentation, "Seventeen" was one of the most outstanding plays produced by any class in some time. The Junior Play, "Mr. and Mrs. North" fulfilled the promise made to the student body by being an equally suspense-holding and a "howling" success.

Next year our club sponsor and play director hopes to present several one-act plays or short skits, and by so doing, we shall have more students participating and this will mean a larger and better Triple "A" Club.

GYM CLUB

LAST year a new club was organized in Kingston High School. It was named the Gym Club, a name which fully describes the activity carried on by its members. Mr. Hilbert, the club's sponsor, was a member of the gymnastic team while a student at West Chester State Teachers College. During that time, he took part in many exhibitions of gymnastics. Therefore, he is not only able to give much valued instruction but also help the boys by demonstrating.

Each year a certain number of freshmen and sophomores are admitted into the club. This number is limited so as to give each boy sufficient time to become acquainted with the different apparatus. Only one thing is required of each member, and that is regular attendance at practice.

The Gym Club is planning a chapel program to be held sometime this spring and, as we did last year, we plan to put on another skit for the Star Dust Revue. Also, since all the apparatus cannot be set up on the stage, Mr. Hilbert would like to give an exhibition in the gym.

Most of the time is spent working on apparatus which consists of the flying rings, parallel bars, the horizontal bar, and the horse. The rest of the time is used on the mats and the springboard. Let's see how an exercise is learned and perfected—

First, if the exercise is difficult, such as a hand stand on the parallel bars, it is done with the safety belt or a suspended mat. When the gymnast feels sure of himself, he tries it without any protective equipment. After weeks of steady practice, the exercise becomes perfected and, grouped with other exercises, becomes a smooth routine.

In addition to developing good posture and muscular coordination we have many enjoyable hours of practice in our beautiful gym.

PI-DELTA CLUB

WITHOUT the slightest doubt, the Pi-Delta has enjoyed another banner year. In doing so, we have upheld the traditions and high standards of former club members and in some instances even eclipsed previous achievements. As usual, the Pi-Delta had charge of the concessions during the football season, and once again gave its customers the best that money could buy. In addition to catering to their appetites, the society did much to increase their enjoyment in watching the pigskin contests. At an expense of several hundred dollars, an ultra-modern scoreboard was installed.

This scoreboard was so situated that it could be seen with ease from any point on the field. In some instances when the spectators could not follow the ball, this scoreboard gave the position of the ball, penalties, together with the infractions involved, yards to go, and any other item that had a direct bearing on the progress of the game. As you can probably presume, a contrivance of this sort cost a great deal of money and at the end of the season our treasury was in a rather depleted condition. In order to counteract this condition, the club sponsored an activity which will be an annual custom in the years that lie ahead. This activity which caused so much comment, was a unique cabaret dance.

This dance, the first of its kind in Kingston High School, was the most eagerly attended and most discussed dance held during the whole scholastic year. In addition to the usual features of a dance, our cabaret dance had a few added attractions, namely, the sale of light refreshments during the dance, and a "star-studded" revue which took the place of the customary intermission, which at the beckoning of the O.P.A. had to be eliminated. The latter statement sounds quite rash, but at the time of this dance a nationwide gas ban was in effect.

Before closing the register on another successful year, it is only right and just that all those connected with this admirable group should receive their well-deserved praise. Too many plaudits cannot be given to those energetic, conscientious Pi-Delta boys. However, without the guidance of the club's capable sponsor, Mr. Victor Piccone, all their ambition would have gone for naught.

HI-Y

THE Kingston chapter of the Hi-Y was organized several years ago to promote clean speech, clean sports, clean living, and clean scholarship among the boys of the high school. The Hi-Y is very closely associated with the parent organization, the Y. M. C. A.

The local chapter of the Hi-Y started the year with great anticipation of the days to come. Officers were elected and committees appointed. Plans were made to find "ways and means" of making money and it was decided to hold a Sport Dance at the close of football season. Needless to say, the dance was a grand social and financial success.

Several interesting discussions were held during the meetings which were held the second Thursday of each month. Our officers were members of the inter-high school council which was the governing body of all Hi-Y clubs in Wyoming Valley.

The Hi-Y was unfortunate at the mid term in that we lost our president, Chester Butkiewicz, to the Aviation Cadets and in April the vice-president, Michael Gaido, was inducted into the Aviation Cadets. Mr. John Gittins, our sponsor, was always willing to help us and we appreciate his interest in the Hi-Y.

Despite the losses of the officers and with Mr. Gittins' help the club is carrying on its work and will award its usual scholarship prize in June. In the opinion of all Hi-Y members, the club offers many advantages to boys of high school age which may be acquired in no other club.

CIVIL ENGINEERING CLUB

THIS year the sponsorship of the Civil Engineering Club was taken over by Miss Freda Jones after Mr. Thomas, the original sponsor, was granted a year's leave of absence due to a breakdown in health.

The Engineering Club attempted to give to all its members a knowledge of the fundamentals of engineering and the use of a number of valuable instruments. Such knowledge will be of great help to members who intend to follow up engineering as a career or work in similar types of work.

Early in the year the old members elected officers and voted in juniors and seniors who had the necessary requirements.

The requirements for admittance to the club are based on engineering interest, scholarship, mathematics, and on the scientific aptitude which the applicant possesses. He must also be regarded highly by his classmates. Total membership for this year was raised to thirty-five.

At the beginning of the year the club possessed a transit, hypsometer, and a number of slide rules. To this equipment was soon added more slide rules, enough to equip every member with one.

THE LATIN CLUB

THIS year as in others, the Latin Club has supplemented its monthly business meetings with programs made possible by a fair number of talented members who were willing to perform. Program plans were dispatched by an entertainment committee with Jane Rae Zimmerman as chairman. The Latin Club has the task of furnishing amusement for one of the largest club groups in the school. That all Caesar, Cicero and Virgil classes are eligible for membership certainly indicates that the society has many members.

Several musical programs were held for the group. Dorothy and Carol Nogle once more proved their ability as excellent vocalists. Howard Dinstel gave several entertaining and well-executed clarinet solos. Capable Elaine Mittleman led the group in singing the patriotic song hits of the year. On other occasions the group participated in a spelling "B" on Latin words and at another time a "board of experts", selected from the group, was plied with questions on Latin grammar and Roman history by a student-wise interlocutor. Many Latin Club meetings were adjourned with the singing of a novel arrangement in Latin of Kingston's Alma Mater.

Responsibility for entertainment was divided among the three Latin classes comprising the club, in order that each group might share in the activities of the society, and also to promote a spirit of rivalry and interest. In as much as these plans were fulfilled, the Latin Club considers its year a success.

In closing, the Latin Club thanks all who have taken the care to concern themselves with the active perpetuation of the Latin Club. Specifically, the club wishes to thank its sponsors, Miss Sweet and Miss Thompson for their splendid guidance.

HOBBY CLUB

THE Hobby Club was organized primarily for the purpose of giving the boys of our school an opportunity for free expression of their individual ideas.

Selection of the members for the Hobby Club was made again this year through a survey of the various hobbies and after careful consideration a number of boys were selected.

The club met in the Industrial Arts Shop twice a month from seven to nine P. M. The members had at their disposal the numerous facilities of the recently enlarged and well-equipped shop which contains power and hand-tools suitable for the construction of wood, electrical, and metal projects. In each shop you will find a library which contains many reference books and other materials that are useful in this type of work.

The interest developed in the Hobby Club has had a surprising effect on the choices of the life work of these boys, and many of them after finishing their high school courses have either taken up further study or enlisted in the Armed Forces where they have advanced to responsible positions.

The club is sponsored by Mr. George W. Keefer, head of the Industrial Arts Department.

RADIO CLUB

SOPHOMORES have already been admitted to Kingston High School's Radio Club to form, along with present junior members, a nucleus for next year's club. During the second semester of each year the Radio Club opens its membership to interested sophomores.

The purpose of Kingston High School's Radio Club is to allow boys and girls with an interest in Radio an opportunity to get together each week, pool their knowledge, carry on experiments, locate troubles and learn by mutual effort and assistance.

Each successive meeting we find a different program—diagrams of various connections and circuits, soldering, symbols, check up, simple repair, discussion of methods and so forth with each member in his turn, taking charge and leading the discussion.

Many students are now enjoying the opportunity of contact work in radio trouble shooting. The club has several non-working discarded radios at its disposal for the boys to "trouble shoot" and next year we hope to acquire more material for practical diagnosis and repair.

HOME ECONOMICS CLUB

THE Home Economics Club is one of the largest and most helpful clubs in school and is sponsored by Miss Bush and Miss Kitchner, teachers of Home Economics. Membership is limited to Junior and Senior girls taking the domestic science course, and the purpose of the club is to prepare the girls for future home-making. All the girls feel sure that they certainly will become good homemakers as a result of the excellent instruction they have received.

The club members are always ready and willing to assist at school functions, to prepare refreshments, to serve at banquets, and to help with faculty teas. Quite frequently they are asked to aid in some affair and this they do with great eagerness. This year, in addition, they cooperated with the Junior Red Cross and did their share during this great emergency by making bedroom slippers and utility bags for the veterans.

The making of these articles was in itself a very interesting process as the plan followed closely that of a factory system. The work was divided into various steps and each step was done by certain individuals or by certain groups. Throughout the whole process the finest spirit of cooperation was in evidence. Some basted or pinned the materials together while others carried on with the machine stitching. This work continued step after step, each article being carefully checked to see that all the work was done as nearly perfect as possible. They were then pressed, if they needed to be pressed, packed, and made ready for delivery to the Red Cross Headquarters and on to their respective destination. Many girls not only did their share of the sewing here at school, but also took articles home with them and worked on them in the evening. This showed that the girls are real troopers, and can always be depended upon. Some credit in this work must also be given to members of the student body who, even though they were not in the Home Economics Club, gave their voluntary service and aided in the work. The club members are very grateful to these students.

Recently, during the book campaign, the members of the Home Economics group were very active. Twice a week they visited each home room and collected many books from the faculty members and student body. Among the many types of books collected were novels, adventure, technical, biography, history, mathematics and joke books. This large collection was packed and sent to the proper authorities who will see that our soldier boys receive them. The club was indeed proud to undertake such a splendid drive.

A stocking campaign was also put under way since the government requested that all old stockings be returned. As you know the silk from these stockings is very valuable and is used in making parachutes needed by the paratroops. Active club members collected the stockings regularly from each home room and again enormous results were produced. Even the boys aided, by bringing in their old torn silk socks.

All the stockings were then packed in boxes and sent to one of the stocking collection centers in Wilkes-Barre where they were gratefully received. Thus another patriotic task was accomplished.

The club members also played an important part in the food rationing program and under the direction of the Home Economic teachers were instructed in the proper method to apply for Food Ration Book II and, after it was obtained, how to use it. Many hours of careful study were given to the subject until each girl had acquired a working knowledge of the subject. Incidentally, the entire student body was granted a week's vacation since the teachers were needed to give out the ration books. Nevertheless the club members voluntarily offered their services and reported daily at the schools to which they were assigned. There they helped people fill out Declaration Forms and gave instructions on how to use the Ration Book II. Many mothers appreciated the help at the schools.

This department also played a very important part in the "Stardust Revue." Yes—just as you have probably guessed—the Home Economics Department makes and remodels costumes needed in the various acts of the Revue. It is difficult for the inexperienced seamstress to realize all the work that is involved in this kind of enterprise. Many costumes are fitted, sewed, hemmed, and pressed each year, and this year was no exception. All club members cooperated.

Community affairs are sometimes assisted by this active club. One such affair was a tea held at the Hoyt Library. A number of girls offered their services immediately upon being notified about the tea. They reported to the library, helped arrange the food, and later served the many guests who were present. The tea proved to be a great success and the girls' services were greatly appreciated by Miss Dorrance and her staff.

THE GLEE CLUB

ONE of the newest and most promising musical organizations in our high school is the mixed glee Club. It is under the capable leadership of Mr. Edmund Berry, a graduate of Ithaca School of Music. Director Berry has tried to promote the appreciation of good music, especially superior choral singing, through the careful selection of the compositions which are interpreted by the chorus.

The club was reorganized early in the fall, and membership to eighty students was granted after individual try-outs. In this way, the most outstanding singing talent of the school was selected to represent the four choral divisions.

After the membership had been determined, practices were begun at once, and in order for each part to become thoroughly efficient, sectional rehearsals were held three times weekly; at noon, during activity periods, and in the evening.

An incentive for faithful attendance at these rehearsals was the preparation of a grand Christmas program.

The 1942-43 debut of the Glee Club was the rendering of a concert in our own auditorium where the results of hard work and careful training were realized. The program, one of the most difficult ever undertaken by any high school choral club in this vicinity, consisted of the following selections:

Silent Night
The First Noel
Lo! What a Branch of Beauty
Oh! Holy Night
A Star Was His Candle
Love Divine
Three Polish Christmas Carols
Gloria, from Mozart's Twelfth Mass.

The talented soloists who participated in the concert were: Persis Hicks, Dorothy Nogle, Beverley Laines, Laura Jane Miller, Charles Bressler, and the accompanists were Isabelle Smith and Louise Schlick.

Because of the marked success of this performance, several local churches requested that it be repeated in their own auditoriums during the Christmas season. They were enjoyed by large and appreciative audiences, and after one of these concerts, Mr. Wesley Woodruff, Wyoming Valley's outstanding music critic, addressed the group.

He complimented the organization and its director on their successful efforts. He particularly spoke encouragingly to the bass section which was outstanding for such immature voices. Mr. Woodruff also gave the group some other beneficial advice.

In appreciation of the splendid work accomplished by these musically-minded students, the churches donated a portion of the offerings to the club. With these benefits the society hopes to attain one of its present material aims, robes. Robes lend atmosphere toward the presentation of an effective concert and will be obtained with the accumulated treasury. Several faculty members have also presented the chorus with enough money to purchase a number of these vestments and we may look forward to seeing the Glee Club outfitted in striking robes.

Credit for the fine showing of the Glee Club goes to Mr. Edmund Berry, our director. The hours of hard work he spent perfecting the chorus were rewarded by the excellent performances of the club.

THE ORCHESTRA

THIS year the Kingston High School Orchestra, under the very capable direction of Mr. Howard Hallock, has entertained its listeners with all sorts of music, ranging from classical selections to the latest popular tunes.

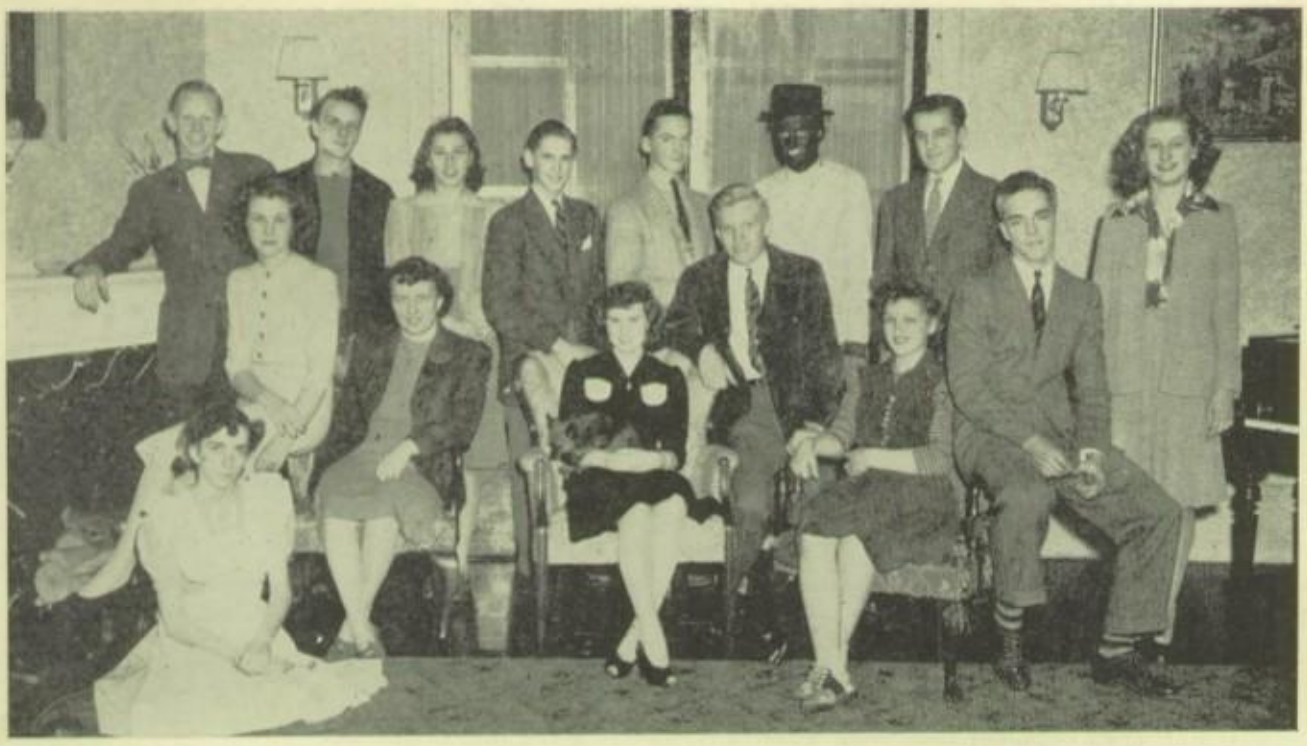
The orchestra has a vital function in our school life. Among the many services rendered to the High School by the orchestra are its assembly program-accompanying, special assembly music, and the special Christmas and Graduation Day Programs. The orchestra also plays a prominent part in other school activities, especially in the Junior and Senior Plays.

Within the orchestra itself there are several special groups composed of some of our foremost musicians. The Trumpet Trio, consisting of Charles Gittens, George De Curtis, and Carl Styre, is a group which is well known in the school. Another important group is the String Quartette, whose members this year are Pearl Brown, June Search, Margaret McHale, and Virginia Meissner. Finally, there is the Woodwind-String Quintette. The members of this group are Vester Vercoe, Richard Searles, Howard Dinstel, Pearl Brown, and Jane Rae Zimmerman.

Each year various orchestra members contribute their services to form the Stardust Revue Orchestra which, in the past, has contributed in a large measure to the success of the Revue. Much of the program of the Revue is built around this particular group.

At the end of each school year certain awards are made to the outstanding members of the orchestra. Senior members are given pins and non-Senior members who have completed two years of service in the orchestra are given letters on the approval of the director.

The orchestra has been able to give us better and more diversified music because of improved instrumentation. Further strides in this direction are being planned.



SENIOR PLAY

WITH the opening scenes of Booth Tarkington's popular comedy, "Seventeen", the audience witnessed another K.H.S. annual highlight, the senior play.

Since undergraduate days, a deep rooted ambition of our class had been to present a senior play which had not been outdone by any previous performance. At last, after many weeks of rehearsal, the class of '43 felt proud to present the results of their efforts before an appreciative house.

The play concerned an average American family. The ridiculous situations of which seventeen year old "Willy" found himself a part were, in general, similar to those in which any senior might be found.

To Mrs. Marjorie Brown Thomas, director of the play, the class owes a great debt of gratitude, for it was she who carried the performance on to its final success.

JUNIOR PLAY

MR. and MRS. NORTH

ON Friday, April 2, the Junior Class, sponsored by Mr. John Gittins, presented Owen Davis' three-act comedy entitled, "Mr. and Mrs. North".

Mr. and Mrs. North, a young couple, came home from a short trip and discovered the body of an unknown, murdered man in their closet. Lt. Weigand and Detective Mullins were called to solve the case and found that the murdered man was Mr. Brent, the husband of one of Mr. and Mrs. North's close friends. Mr. Brent had been hated by many and there was a strong motive for his death in the circle of Mr. and Mrs. North and their friends. Suspicion was thrown on Mr. and Mrs. North, since the postman who was about to reveal the murderer was also murdered while in their apartment. How the case was finally solved was full of comedy and laughter, never to be forfotten by all who saw this excellent performance.

The success of the Junior Play was the result of the unceasing efforts of Mrs. Marjorie Brown Thomas, who directed the play, the faithful cast for hard work, and the untiring efforts of Mr. Gittins.

STAR DUST REVUE

ON May 6th and 7th one of the gala events of the year took place. It was the Fifth Annual Star Dust Revue. A large cast of 300 talented, lively students participated in our all-school project. More than 2700 people viewed this spectacular show.

During the Thursday evening performance, an unusual thing occurred—a blackout. However, "The show must go on", and the students were to be commended for their perfect behavior.

As the curtain was opened the Girls' Glee Club and the Star Dust Orchestra made a charming picture. The boys' and girls' gym team performed amazing feats of skill.

Many dancing groups also performed. There were the Victory Tap Dance, the Dancing Jeans, and the ballet group. Modern dancing, which made its debut in last year's Star Dust Revue, proved to be one of the highlights of our show. While the girls were dancing gracefully and artistically, the Girls' Glee Club was singing "Glow Worm".

"A Scene in Old Erin" furnished us with gay, old Irish tunes. The scenery and costuming were most attractive and pretty.

Many specialty numbers were in the 1943 Star Dust Revue. These were marionettes, a reading, a comedy dance, the jumping-five dance team, a marimba solo and a talented dog which was able to perform amusing tricks.

Our own Star Dust Orchestra furnished a very pleasing musical background for many of the scenes. The costuming in the different acts was the prettiest ever. The program covers were also more attractive with an unusually clear photograph of the high school.

Faculty and students labored faithfully and diligently to make the Revue a success. Their efforts were amply rewarded because the Star Dust Revue of 1943 was the best ever!

SCHOOL DANCES

OUR dances this year got under way on Thanksgiving night, November twenty-sixth, when the "Hi-Y" Club sponsored a Victory Sport Dance to celebrate our many triumphs on the football field. Excellent music was furnished by our own "Chuck" Thomas and his well-known Ambassadors. A grand time was had by all and we feel that it was a wonderful climax to a successful football season.

The Christmas Alumni Dance came next on December twenty-ninth. This dance is always a gala occasion for it is one big reunion for many of our alumni who come back to their alma mater. The dance was our first semi-formal of the year with Donlin's Pennsylvanians doing the honors. It was largely attended by both alumni and students of the high school.

With the gasoline situation as it is, the Pi Delta Club brought forth a new idea of "strolling" to their Sport Cabaret Dance on February nineteenth. The idea went over with a "bang" as many students followed the suggestion and walked to the dance. Tables had been set up in the gym and refreshments were served by members of the club. C. Thomas' orchestra played and during intermission a floor show occupied everybody's attention. The dance was a huge success and the talk of the school for several days after.

Easter wouldn't be Easter unless the Senior Class held a dance. The Seniors didn't fail this year and the dance was held on Easter Monday night. It was a semi-formal affair with the strains of Lou Nobel's orchestra ringing sweetly in our ears. A new theme was carried out in the decorations by having baskets filled with gaily-colored eggs around the gym and palms surrounding the orchestra. With that background, no one could fail to have a wonderful time.

Our last dance of the season was our semi-formal Junior-Senior Prom on June fourth. It was a great success and the music was wonderful. As the last note sounded about twelve o'clock the Seniors realized that this was their last dance as students of Kingston High. There are many pleasant memories to cherish and look back on, and the dances are perhaps the most outstanding events to remember.

CHEERLEADERS

THAT dependable little group known as the Kingston High School Cheerleading Squad has dropped anchor at the end of another succesful voyage.

This success was realized by persistent drilling under the competent direction of Miss Jewitt and Miss Magda. Business matters were capably transacted by Philip Walsh.

Not only does this group lend zest and vim to our football games, but are faithfully on the job at our basketball games and wrestling matches.

Long after we have bid fair adieu to Alma Mater we shall still hear the hardy young voices of K.H.S. cheerleaders resounding.

KINGSTON HIGH SCHOOL BAND

ONCE again Kingston High School's Band, after a very eventful year, followed true to tradition and completed 1942-43 with the success of the season, the Annual Band Concert. This concert which is the finale, so to speak, for the year was directed by Mr. Howard Hallock who certainly deserves much credit in not only enlarging the band in quantity, but also in quality.

This musical event brought out the talent of individuals as well as the band as a whole. In choosing the numbers for the concert, Mr. Hallock chose those which would bring entertainment for all types of music lovers. These ranged from the classics to the more "popular hits of the day".

THE Color Guard of Kingston High School is an added attraction to the band. These boys, dressed in the traditional maroon and gray, shouldering rifles and carrying the American Flag, make an impressive appearance as they lead the band in any of its performances.

Doubtlessly most of the students remember well that feeling of the sight of the Color Guard solemnly standing at attention as the band played the Star Spangled Banner. This scene was one which will remain in our minds for quite a time to come.

DURING THE HALF

IN this picture, the band is forming a "K" before a football game. Crowds are probably cheering and the players are a trifle nervous as they make this spectacle of true school life.

However, Kingston's Band has had other impressive ceremonies this year which were a trifle different from those which we associate with games. The band has played several times when boys from Kingston have left for the service. The crowds are cheering them on to victory there too, but this time victory for a lasting peace.

COACHES

KINGSTON High School's 1942-1943 Coaching Staff merits a great deal of commendation. Under the competent direction of Coach Harold Pugh, ably assisted by Coaches Gittins and Hilbert, our football team completed a hard fought and successful season.

Our basketball team capably trained by Head Coach Donald Hilbert, assisted by Coach John Kenny, kept our colors waving high against the particularly keen competition of the Wyoming Valley League. The only league team Kingston failed to defeat was Newport, winner of the first-half championship.

Although Coach Pugh had never coached wrestling, he did a good job and the team might well boast of a successful season. Our wrestlers won two matches and lost two. They defeated the Wyoming Seminary wrestlers, but lost to the Forty Fort team in thrilling contests.

This year Kingston High School, again, had the honor of giving two coaches to help defend our great Country. Mr. Neilson Andrews, who entered the United States Navy, is studying while in training and is assisting in the Navy Physical Fitness program. Mr. Andrews, who has left behind him an enviable record in athletics as well as teaching, was admired and respected by both students and fellow faculty members. Mr. Seymour Hymen, who succeeded him entered the United States Navy soon after Mr. Andrews departure. Mr. Hymen, a New Yorker, received his education at East Stroudsburg Teachers College. While at Kingston High School, he proved himself quite helpful to the team and was liked by all.

Miss Ann Jewitt ably coached and directed the intramural activities of the girls and produced another winning basketball team. Highlight of their season was the thrilling game lost to the men's faculty team, played girls' rules for the benefit of the American Red Cross.

The model sportsmanship shown by our coaches is going to play an important part in influencing the students who came under their guidance and manner of doing things and will be felt more as the boys and girls grow older.

FOOTBALL

KINGSTON, the defending champions of the Eastern Pennsylvania Conference of 1941, began the 1942 season by outclassing a strong Scranton Tech. team by a 13-6 score. The second game was with our neighboring rival, Edwardsville. When the final whistle blew we were on the long end of the 20-0 score. The next games Kingston showed its form of old by defeating Newport 25-0, Larksville, 26-0, Luzerne 24-0, Plains 38-12. Then Kingston suffered its first defeat, 14-0, at the hands of Meyers, who won the Valley championship. Kingston then hit the comeback trail by defeating Nanticoke, 27-12, and G.A.R., 18-0. On Thanksgiving Day we met our oldest rival, Coughlin, only to be upset by a 13-6 score.

We would like to congratulate Coach Harold Pugh and his two assistants, Mr. Donald Hilbert and Mr. John Gittins, for developing such a fine aggregation. Along with the coaches we would like to congratulate the Senior members of the team: Co-Captains, Chet Butkiewicz and Mike Gaido, also Ed. Buckley, Dave Grimes, Pete Coury, Ray Krehel, Harry Price, Dave Long, Jack Kochins, Walter Hughes, Charles Blockberger, Tom Butkiewicz, and Francis Steinberg.

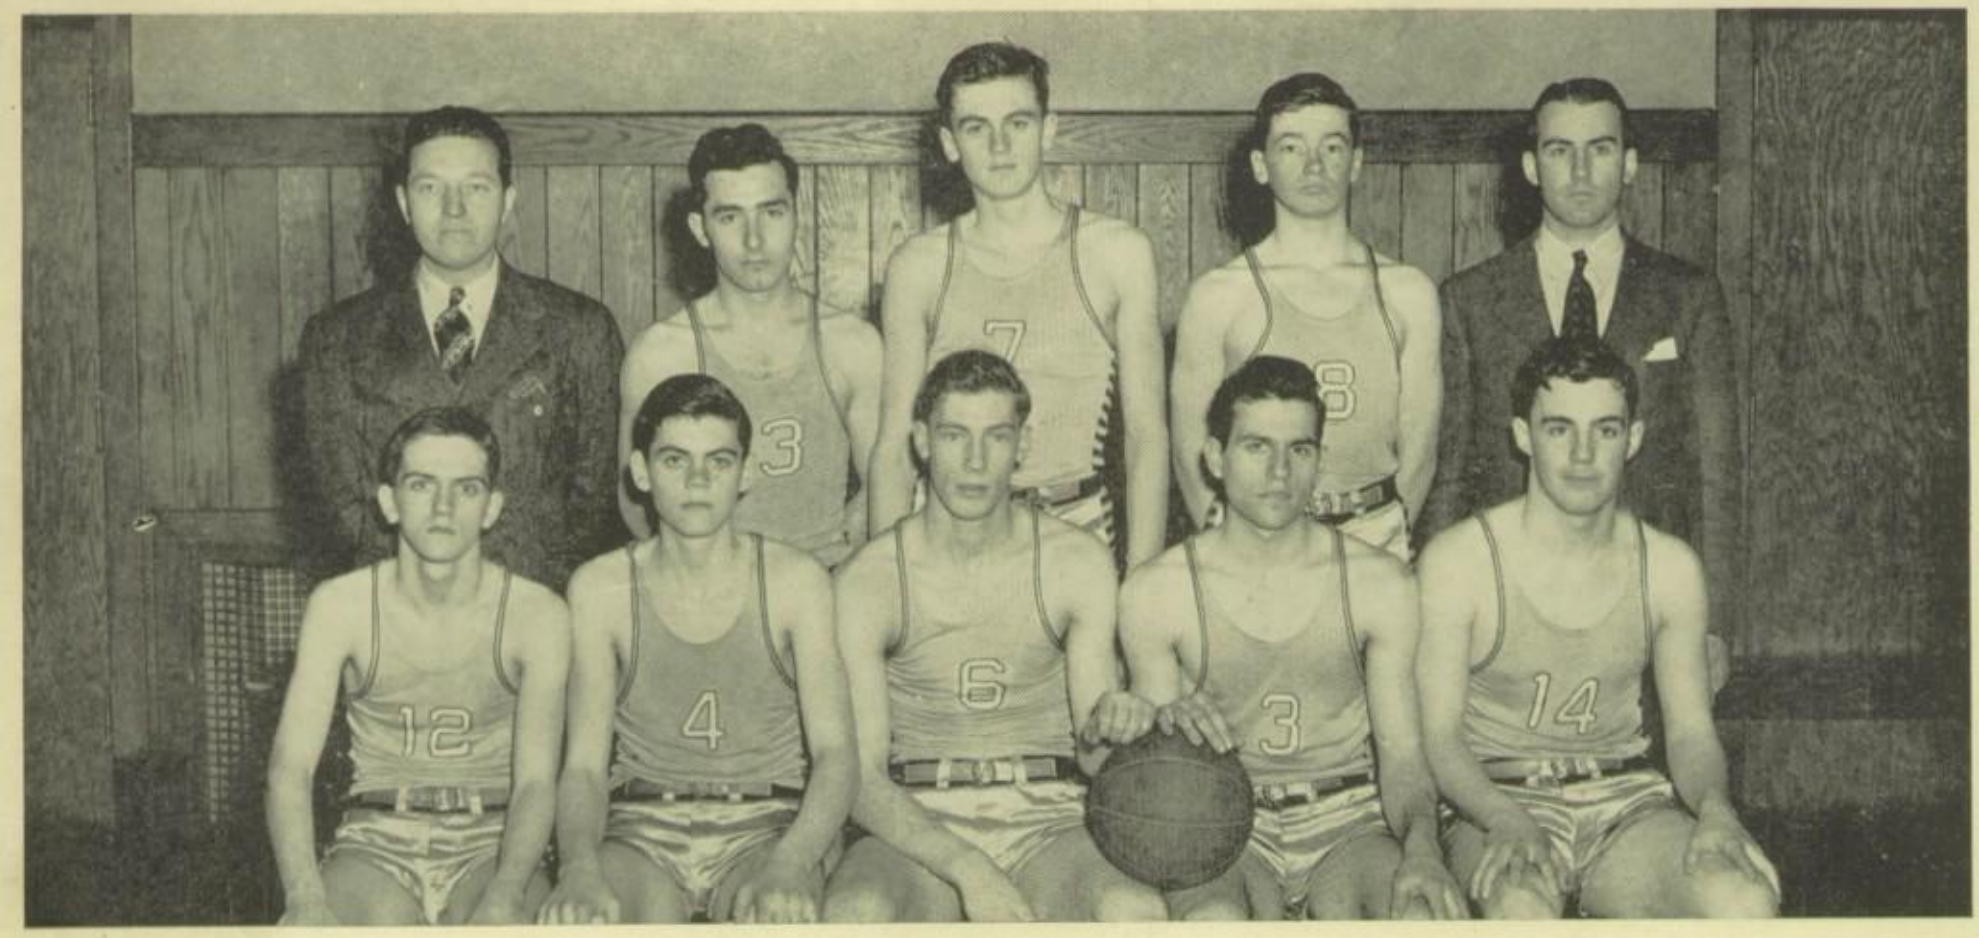
RESERVE FOOTBALL TEAM

HEAD Coach Harold Pugh and his assistant, Mr. Donald Hilbert, may well look forward to seeing more good football teams at Kingston High School in the next few years. The main reason we say that is to pay tribute to Coach John W. Gittins and his reserve football squad of about eighty freshmen boys.

In his first year of coaching football, Coach Gittins had an enthusiastic group of green youngsters who loved the game and worked hard on the fundamentals of blocking, passing, tackling, running, and kicking the ball. Several of the freshmen will be stars in a season or two and the record of the reserve squad indicates clearly what is in store for our opponents.

In the first game of the season a large group of anxious and faithful followers journeyed to the neighboring town of Forty Fort and saw our reserve team soundly defeat a well-coached Forty Fort reserve team by the score of 26-0. Kingston fans are always glad to learn the results of contests with our friendly Forty Fort rivals and this game gave the reserve squad confidence.

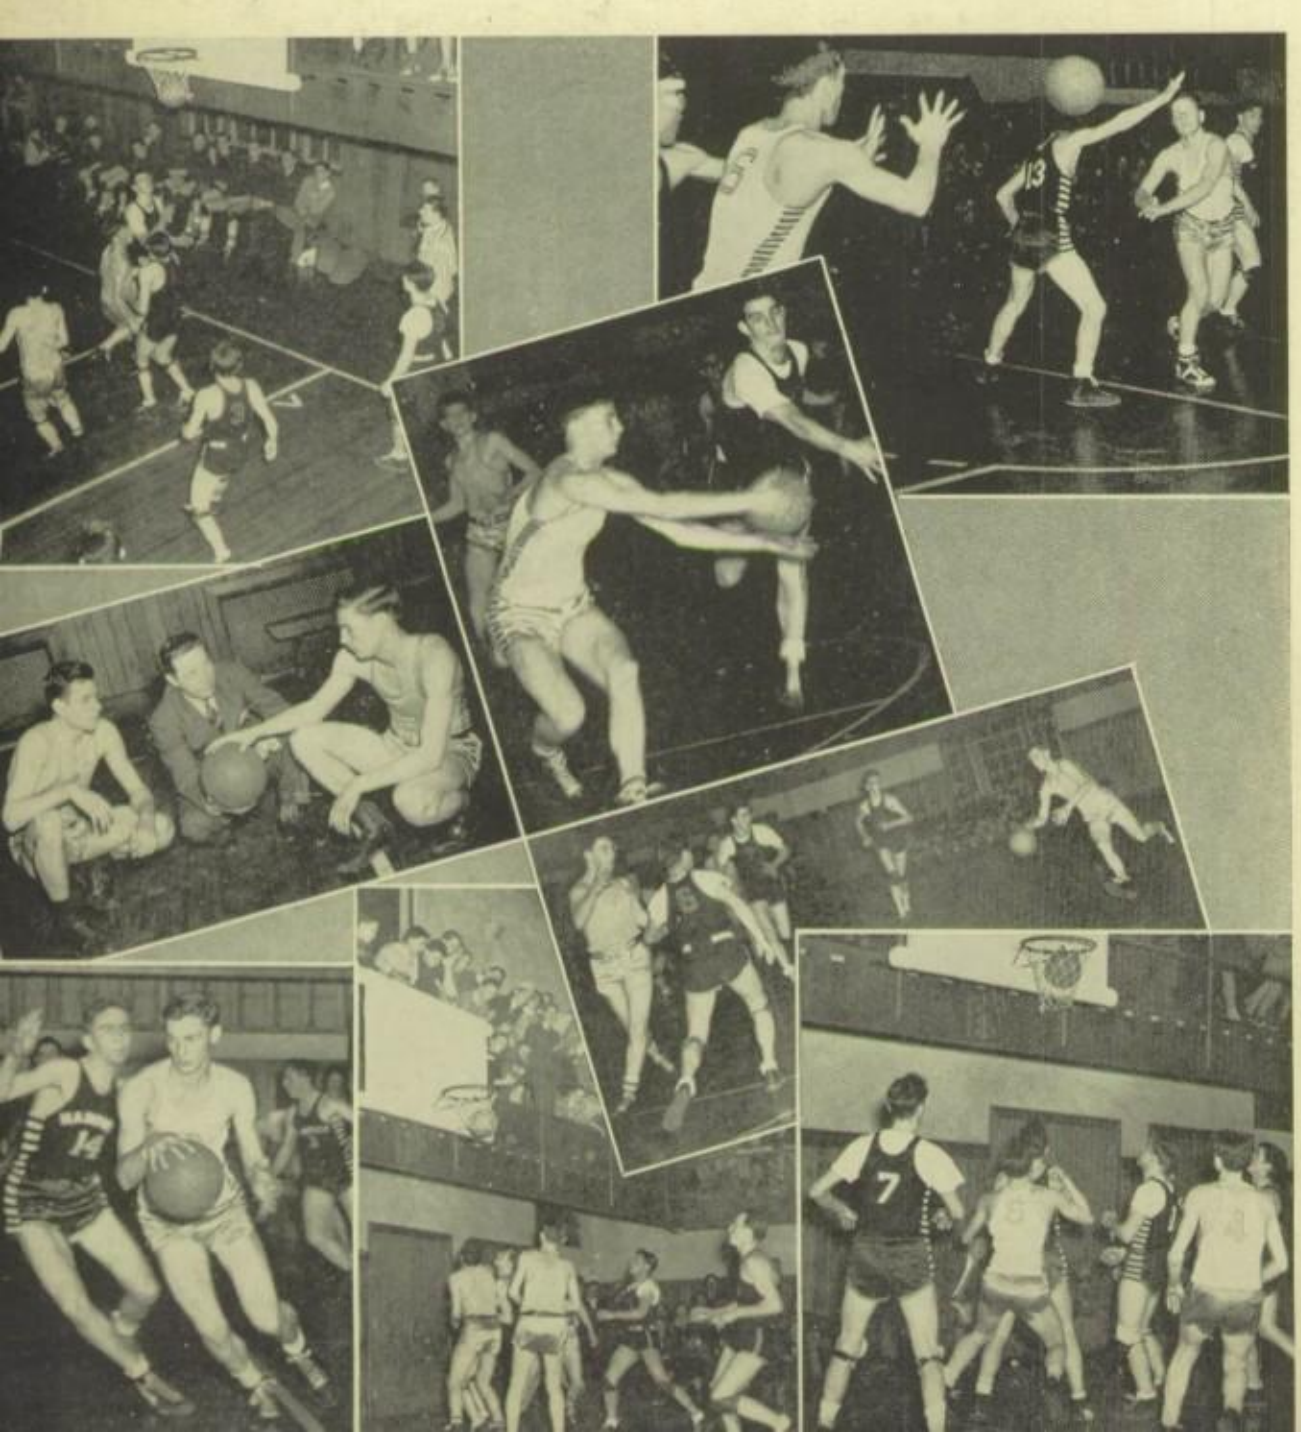
With the increased attention being put on strong healthy bodies and competitive sports we may look to continued emphasis being put on football and large reserve squads.



BASKETBALL SQUAD

First Row (left to right)—Richard Phillips, Robert Carlson, Joseph Harrington, Edward Buckley, John Feeney.

Second Row—Mr. Hilbert, Charles DeBonis, Victor Carlson, Jack Turner, Mr. Kenny.



BASKETBALL

THE 1942-43 basketball season at Kingston High School was again a grand success. Coach Donald Hilbert in his second year as mentor of the maroon and gray accomplished results of which any coach might justly be proud. Kingston before capacity crowds, defeated, at least once, every league team played except Newport. We are proud of that accomplishment and have memories of certain games which we shall long remember; memories of Kingston's highest scoring team.

Beginning the season with co-captains, Harrington and Buckley, as the only seasoned veterans, the team rapidly gained finesse and reached its peak on our floor by trouncing Berwick High's splendid team which later won the league and district championships. Highlight of that game was the superb playing of our "Joe" Harrington as compared with that of Berwick's Captain, "Joe" Colone. Harrington completely outscored and outplayed his rival in that game, but found the situation reversed when the two teams met later in the season. Buckley and Harrington led our league as high scorers in fouls and points scored, respectively.

The game at G.A.R. proved a thriller for the loyal Kingston fans who witnessed a nip-and-tuck battle throughout and saw Richard Phillips snatch victory in the last twenty-seven seconds by scoring one of two foul shots.

Coach Hilbert, and his assistant, Mr. John Kenny, worked this season under difficulties caused mainly by the War.

Congratulations for one of Kingston's finest teams are due Coaches Hilbert, Andrews, and Kenny, Managers Wright, Williams, Davenport and Reese, and all the boys on the team.

WRESTLING

KINGSTON High School's wrestling squad opened its interesting season when we met Wyoming Seminary in January. We proceeded to down the Wyoming team by a score of 36-5. Our second match, sorry to say, was lost to Forty Fort by a close score. 20-17. The third match found our grapplers facing Wyoming Seminary again and we were again successful in downing them, 38-10. The fourth and final match saw Kingston go to Forty Fort to wrestle for the Valley Championship. The score was close all the way and the outcome was not certain until the final second ticked away on the important time clock. Forty Fort won the match 20-19, and Kingston resolved to get revenge next year.

We congratulate Coach Harold Pugh for a job which was well done. Mr. Pugh coached wrestling for the first time this season. We also congratulate Captain Charles Yenalavage and the boys for their fine showing in local meets and also at State College where the cream of Pennsylvania high school wrestlers competed early in March.

TRACK 1943

IN spite of the fact that the 1943 track season was late getting underway, Coach Harold Pugh's track and field men soon proved to loyal followers that they would be a definite threat in capturing P. I. A. A. honors.

Coach Pugh deserves much credit for getting the boys in condition in such a short time. A few of the stars of this year's team were: Leo Castle, "Joe" Harrington, Victor Carlson, David Grimes, Ray Krehel, Charles Blockberger, Merle Norcross, and Leonard Bellas.

At G. A. R. High School in the first meet of the season the team showed power by easily defeating their opponents 62 to 51. Castle, Harrington, and Victor Carlson were the outstanding stars, while Norcross, Armstrong, and Krehel also helped to pile up the points.

Plymouth was the second team to try to stop Kingston's victory march but they too, were taken in easy stride by the score of 66½ to 51½. In this meet we witnessed our three outstanding stars', Castle Harrington, and Carlson winning again. Castle and Harrington both won three events while Carlson won two.

Edwardsville was next to feel the onslaught of the powerful and speedy Kingston squad but after making an impressive showing in the early part of the meet soon fell behind in scoring.

This year's limited schedule was due to transportation difficulties, and the full strength of the team could not be felt because of the enlisting in the armed forces of some of our best stars. Edward Buckley, Chester Butkiewicz, Michael Gaido, and James O'Malley were boys who enlisted before track season began and made Coach Pugh's task a bit more strenuous. "Joe" Harrington left after the second meet.

GIRLS BASKETBALL SQUAD

First Row (left to right)—Theresa George, Lois Geyer, Betty Benner, Ruth Rovinski, Fay Shone, Ruth Alles, Louise Brennan, Dolores Symchik.

Third Row—Audrey Cooper, Jean Bowman, Edith Miller, Marie Bellas, Eleanor Law, Betty Jane Davis, Irene Bentley.

GIRLS BASKETBALL

THE girls basketball team has proved itself worthy of much praise this season. Together with the excellent coaching of Miss Jewett and the fine cooperation of the girls, they have won nine of their ten games, which is a record of which we are all very proud.

The girls started the season by defeating the Wyoming Seminary team without any great trouble. The first home game was with Wyoming Seminary, and proved to be even a more decisive victory than the first.

The next game was on the home floor with Edwardsville. Betty Benner, Lois Geyer, and Ruth Rovinski, the first string forwards, built up a big lead, Betty Benner alone making twenty-two points.

At Kingston Township the girls met their first and only defeat. Although the guards, Marie Bellas, Louise Brennan, and Ruthie Alles, played a wonderful game, the forwards just couldn't seem to "click".

Playing at Clarks Summit, the guarding was especially good with Betty Jane Davis at her best, and another victory was ours.

The next game was at home with Kingston Township.

When entertaining Ashley, the guards, Louise Brennan, Marie Bellas, and Ruthie Alles, gave the Ashley girls triple trouble, while the team work of Irene Bentley, Ann Sikora, and Captain Fay Shone, was the smoothest possible.

When playing at home against Clarks Summit, the girls outplayed the opponents all the way. Outstanding was Ann Sikora, who scored twenty points.

The team concluded the successful season with a bang by playing their best game of the season at Ashley. The forwards caught the Ashley guards off balance with their fast playing. In the third quarter the guards, Eloise Macdonald, Joan Myles, and Helene McAndrew, held Ashley scoreless, while in the fourth quarter only one basket was made.

Not to be slighted are the two hard working senior managers, Loretta Zekauskas and Mary Hardiman.
